## ANTI-SLIP SHOWER TRAY

### Put safety and luxury at the heart of your new bathroom with a SENSTEC Anti-Slip Shower Tray

Our patented Anti-Slip technology makes SENSTEC safe, comfortable and easy to clean.

You won't have to compromise on style as we offer unlimited colour options, custom-made to meet your exact requirements.

With a large range of shapes and sizes, our SENSTEC Anti-Slip shower trays are compatible with all standard shower enclosures and will fit seamlessly into your new bathroom.

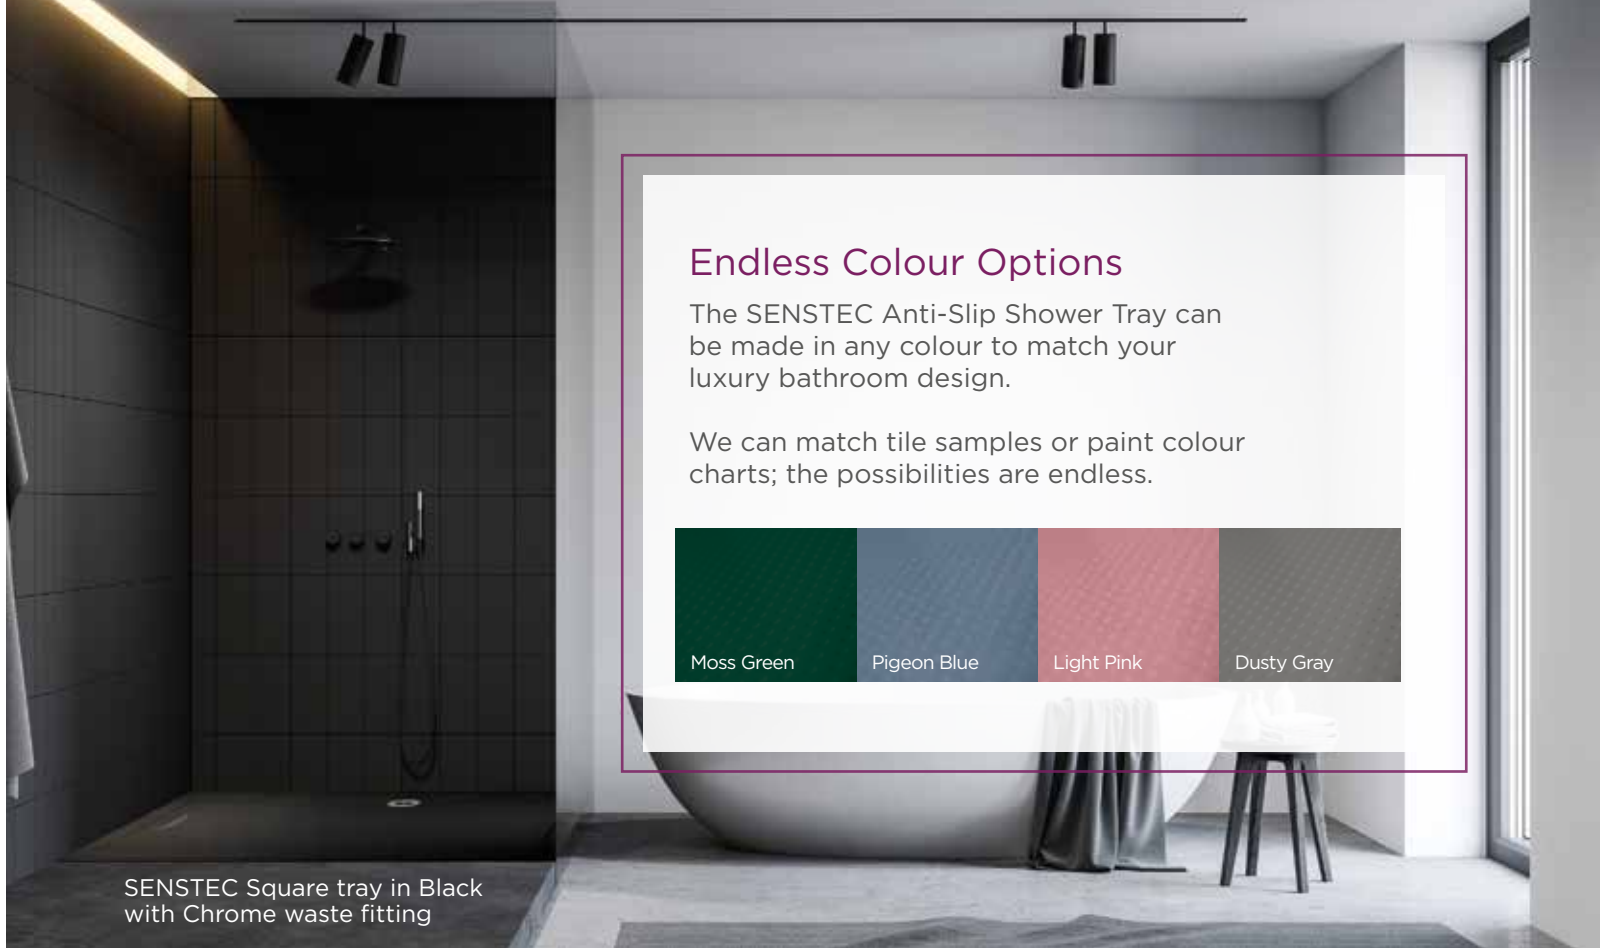

### Safety Features

The patented SENSTEC Anti-Slip dimple delivers a superior grip which greatly reduces the risk of slipping in the shower.

With the UKAS-accredited laboratory Ramp Test, SENSTEC reported an average result of 30°. Placing SENSTEC in Category C (24°), the best classification possible.

(UK Patent No. GB2551138) (EU Patent No. EP3463021) (US Patent No. 10,765,268)

## Endless Colour Options

The SENSTEC Anti-Slip Shower Tray can be made in any colour to match your luxury bathroom design.

We can match tile samples or paint colour charts; the possibilities are endless.

Moss Green

Pigeon Blue

Light Pink

Dusty Gray

## Easy Clean Technology

This is a key part of the SENSTEC design.

The size, shape, and spacing of the SENSTEC Anti-Slip dimple ensures ease of cleaning.

## Our Quality Promise

Premium quality is a given with the SENSTEC Anti-Slip Shower Tray. Made from a solid stone resin, they are built to last. That's why all our trays come with a standard 10-year guarantee, which can be extended upon registration.

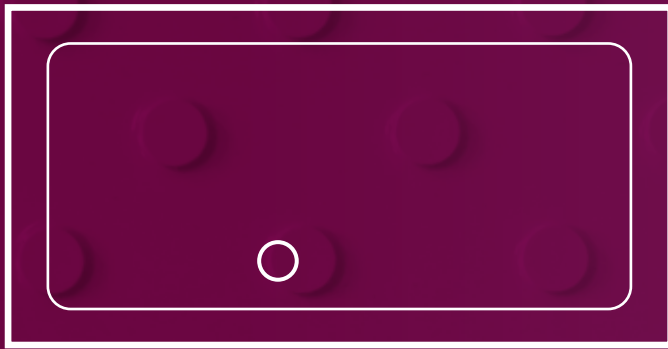

“ When using **SENSTEC**, the feel on our feet is unbelievable it's very comfortable ”

Kim Noble,  
Registered Nurse & Certified Senior Home Safety Specialist
